To Whom It May Concern,

I am writing to confirm that Kenzie Van Lanen volunteered their time to Northern Michigan University as a student note-taker during the winter 2023 semester. I am pleased to inform you that Kenzie Van Lanen completed a semester of taking and providing notes to a fellow student at the university.

By choosing to volunteer their time, Kenzie Van Lanen, provided a valuable service to a student who qualified for academic accommodations through the Office of Disability Services. Without their volunteer service these qualifying students would have a difficult time accessing the curriculum.

Please view this letter of recognition as a credit to their character and proof of their willingness to help others.

Sincerely,

Disability Services
Northern Michigan University
